

Multisport case.

ProAgenda is a versatile sports booking tool that goes beyond just golf. We have been working with various academies over the past few years that specialize in sports like skiing, fitness, padel, and tennis. While this case study focuses on academies that offer multiple sports, ProAgenda can also be used by academies that specialize in just one sport like tennis or padel. These sports also require a booking tool that allows coaches to book courts as well as specific lesson types together. ProAgenda has conducted experiments with these multi-sport academies and has concluded that the ProAgenda tool is just as suitable for these sports as it is for Golf.

Introducing Blue Phoenix Academy, this fictive academy offers various facilities to its clients. This includes golf, different racket sports, as well as a spa with multiple rooms. To cater to the needs of coaches and clients of each discipline, the ProAgenda is divided into different agendas, each with a specific sport as a focus point. This ensures that every sport is set up to fulfill its requirements effectively.

Blue Phoenix Golf: Streamlined Booking Experience with Coaches, Range, and Simulators.

Blue Phoenix offers a variety of golf resources, including multiple coaches, a driving range, and indoor simulators. These resources are conveniently combined into a single agenda, which allows clients to easily book lessons or use the driving range.

The golf agenda is designed to enhance the customer booking experience and is represented in the following picture.

The screenshot displays a booking agenda for August 22nd, organized into five columns: Gerry Dyer, Marshal Blakeley, Julius Bishop, Indoor studio, and Driving range. Each column has a header with a profile picture and the name, followed by 'Open agenda' and 'di. 22 aug.'. The agenda is a grid with time slots from 7:00 AM to 9:00 PM. Availability is indicated by green background for open slots and colored text for limited availability.

Blue Phoenix Racket Sports: Convenient Booking for Tennis, Padel, and Pickleball Enthusiasts.

At the Blue Phoenix academy, we offer a variety of racket sports including tennis, padel, and pickleball. The academy has three different courts and two coaches, making it easy to manage all sports in one place. Booking is simple, with just one page for booking courts and lessons. When you book a lesson, the court for that sport will be automatically reserved for you, so you don't need to make separate bookings. Check out the image below to see the schedule for the racket sports.
